

NATIONAL INSTITUTE OF SCIENCE

Become a Member
Start a local NIS Club

Dear NIS Sponsor:

I bring you greetings from the National Institute of Science (NIS). As president of the NIS, I am attaching information that will assist you in establishing or continuing a local NIS chapter. Attached is a membership application for both graduates and undergraduates. The national membership fee (\$40.00 for new undergraduates which includes a membership pin and \$75.00 for new graduates/faculty/staff which includes a pin). Continuing membership (\$15.00 for undergraduates and \$50.00 for graduates/faculty/staff) should be mailed to:

Dr. Phyllis Okwan
National Institute of Science
Southern University and A&M College
P.O. Box 9413
Baton Rouge, LA

The NIS Pin contains the NIS emblem that is beautifully embossed in gold and green. Membership is valid for one year. It is suggested that you duplicate the membership applications so you will have several on hand as you need them. A membership certificate and pin will be mailed to you for each inductee by the Executive Secretary, Dr. Phyllis Okwan. I hope that this information will assist you in establishing or continuing a NIS Chapter on your campus. Please note, it would be helpful if each school would send one check for everyone joining or continuing membership in NIS. If you have any questions, you may contact me at:
